### Registering the Replacement Audio Unit

1. Cycle the ignition to **ON** mode, then confirm the audio system is **OFF**.
2. Access the system diagnostic menu (see page 2).

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.

- a. Hold down the #2 and #3 preset buttons.
- b. While holding, press the #5 preset button three (3) times.
