### SERVICE INFORMATION

The Applied Vehicles are equipped with a new version of Intelligent Key presets memory. Each Intelligent Key can be programmed to have its own unique set of presets for certain vehicle systems.

Vehicle systems that are linked with Intelligent Key include:

- Automatic Drive Positioner (includes driver seat, steering column, and mirror position memory)
- Audio (station presets, etc.)
- Auto air conditioning and heating (retains the last temperature and mode setting for each Intelligent Key user)
- Navigation system (retains the last settings [e.g., Birdview™] and clock display preference for each Intelligent Key user)

**NOTE:** Refer to the applicable Owner's Manual for information and details on using Intelligent Key memory functions.

Infiniti Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Infiniti retailer to determine if this applies to your vehicle.
