## 2016 MAXIMA; MANUAL CONFIGURATION OF BCM

APPLIED VEHICLE: 2016 Maxima (A36)

### SERVICE INFORMATION

If after replacing a BCM and manual configuration needs to be performed, use the table below:

#### CAUTION:

- Thoroughly read and understand the vehicle specification. ECU control may not operate normally if the setting is not correct.
- Never select any other value other than the “**Setting value**” shown below.
- If only 1 item is present in the **Setting value**, only 1 choice is available for the specific vehicle being configured.

#### BCM

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.
