INFINITI INTELLIGENT KEY REPLACEMENT OR SWAPPING BETWEEN VEHICLES

APPLIED VEHICLES: Infiniti vehicles equipped with Intelligent Key

SERVICE INFORMATION

The Intelligent Keys used on the various Infiniti vehicles may **not** be interchangeable between models and years.

Although the Intelligent Keys may look the same on the outside (physical appearance) they may have different manufacturers and/or different electronic architecture on the inside.

DO NOT attempt to register an Intelligent Key from one vehicle to another vehicle.

- If the wrong type of Intelligent Key is being used, registration will not complete.

Make sure to confirm (using the VIN and FAST) that the Intelligent Key(s) being used are correct for the vehicle being worked on.

Infiniti Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Infiniti dealer to determine if this applies to your vehicle.
