CUSTOMER SUPPORT PROGRAM 21LE01

Certain 2011-2013 Model Year CT200h Coverage for Brake Booster and Brake Booster Pump Assemblies

Model / Years	Production Period	Approximate Total Vehicles
2011-2013 CT200h	Late August 2010 – Mid-December 2013	49,500

In our continuing efforts to ensure the best in customer satisfaction, Lexus is announcing a Customer Support Program to provide coverage for Brake Booster and Brake Booster Pump Assemblies on certain 2011-2013 Model Year CT200h Vehicles.

Background

Although the Brake Booster and Brake Booster Pump Assemblies are covered by Lexus' New Vehicle Limited Warranty for 4 years or 50,000 miles (whichever comes first), we at Lexus care about the customers' ownership experience. Lexus is providing coverage for repairs related to certain internal malfunctions of the Brake Booster and Brake Booster Pump Assemblies in some of the subject vehicles.

The following information is provided to inform you and your staff of the program notification schedule and your degree of involvement.

Customer Support Program Details

This Customer Support Program provides coverage as it applies to Brake Booster and Brake Booster Pump Assemblies on certain 2011-2013 Model Year CT200h Vehicles. The specific condition covered by this program is related to certain internal malfunctions of the Brake Booster Assembly. One or more of the following specific Diagnostic Trouble Codes (DTCs) C1391, C1252, C1256 or C1253 will be stored in the vehicles memory to be used as verification. If the condition is verified, the vehicle will be repaired with new Brake Booster and Brake Booster Pump Assemblies under the terms of this Customer Support Program.

- The **Primary Coverage** will be offered until November 30, 2022, regardless of mileage.
- After the Primary Coverage, the **Secondary Coverage** is applicable for 10 years or 150,000 miles from the date of first use, whichever comes first.

This coverage is for work performed at an authorized Lexus dealer only. It is subject to the same terms and conditions set forth in the New Vehicle Limited Warranty Section of the Owner's Warranty Information booklet. For example, damage from abuse, an accident, theft and/or vandalism is not covered.

Covered Vehicles

There are approximately 49,500 vehicles covered by this Customer Support Program. Approximately 108 vehicles involved in this Customer Support Program were distributed to Puerto Rico.

Owner Letter Mailing Date

Lexus will begin to notify owners in late May 2021 and notifications will be mailed over several months. A sample of the owner notification letter has been included for your reference.

Customer Handling, Parts Ordering, and Remedy Procedures

Customer Contacts

Customers who receive the owner letter may contact your dealership with questions regarding the letter and/or the Customer Support Program. Please welcome them to your dealership and answer any questions that they may have. A Q&A is provided to assure a consistent message is communicated.

Customers with additional questions or concerns are asked to please contact the Lexus Brand Engagement Center (1-800-255-3987) - Monday through Friday, 7:00 am to 7:00 pm, Saturday 8:00 am to 5:00 pm Central Time.

Salvage Title Vehicles

There is no New Vehicle Limited Warranty coverage or non-emission CSP coverage for vehicles that have been branded as salvage, total loss, true mileage unknown, or similar title under any state's law. Nonetheless, every attempt should be made to complete an open emission related CSP when circumstances permit, unless noted otherwise in the CSP dealer letter.

- This CSP **IS NOT** emission related; therefore, vehicles branded as salvage, total loss, true mileage unknown, or similar title are **NOT ELIGIBLE** for coverage under this CSP.

For complete details on this policy, refer to Lexus Warranty Policy [4.15](#), "What Is Not Covered by The Lexus New Vehicle Limited Warranty".

Customer Marketing

Direct marketing of this Customer Support Program is strictly prohibited pursuant to the Lexus Warranty Policy [5.22](#), "Warranty Solicitation." Non-compliance of this policy may result in a claim debit.

Media Contacts

It is imperative that all media contacts (local and national) receive a consistent message. In this regard, all media contacts must be directed to Ed Hellwig (469) 292-1165 in Toyota Corporate Communications. Please do not provide this number to customers. Please provide this contact only to media.

Parts Ordering Process

It is possible that parts for this program are either required to be ordered in Campaign Part Order Request (CPOR) on Service Lane or have been placed on Manual Allocation Control (MAC) due to potential limited part availability. Please check the CPOR/MAC report on Dealer Daily for the most up-to-date parts ordering information. Dealers can identify which parts ordering method to use by reviewing the parts information section of Dealer Daily and checking for a MAC code on the part numbers below. For MAC code C, order through CPOR. For MAC code D, refer to the MAC report for further instructions.

As this is a Customer Support Program, the condition **MUST** be verified by inspecting the vehicle. Therefore, dealers **SHOULD NOT** increase their stock of related repair parts. **Dealers are requested to only order parts for vehicles experiencing this condition only. DO NOT ORDER FOR STOCK.** As always, if a customer experiences the condition described, dealers should conduct appropriate diagnosis and order the applicable parts.

Model Year	Part Number		Description
	Service	Campaign	
2011-2013	47050-76020	04000-23576	Brake Booster Kit
2011-2013	47050-76040	04000-23676	Brake Booster Kit
2011-2013	47050-76060	04000-23776	Brake Booster Kit
2011-2013	47070-12020	04006-22212	Brake Booster Pump Kit

NOTE: Each repair will require a brake booster kit **AND** a brake booster pump kit.

Technician Training Requirements

The repair quality of covered vehicles is extremely important to Lexus. All dealership technicians performing this repair are required to successfully complete the most current version of the E-Learning course "Safety Recall and Service Campaign Essentials". To ensure that all vehicles have the repair performed correctly; technicians performing this recall repair are required to currently have completed all of the following courses:

- L071 - Hybrid Systems

It is the dealership's responsibility to select technicians that have completed the above courses to perform this recall repair. Carefully review your resources, the technician skill level, and ability before assigning technicians to this repair. It is important to consider technician days off and vacation schedules to ensure there are properly trained technicians available to perform this repair at all times.

NOTE: Claims for repairs that were performed by non-qualified technicians are subject to debit.

Remedy Procedures

Technical instructions for this Customer Support Program can be found in [L-SB-0009-21](#).

Parts Recovery Procedures

All parts replaced as part of this Customer Support Program must be turned over to the parts department until appropriate disposition is determined. The parts department must retain these parts until notification via the Parts Recovery System (PRS) is received indicating whether to ship or scrap the parts. These parts are utilized by various departments for defect analysis, quality control analysis, product evaluation, as well as other purposes.

To help minimize dealer storage challenges, Lexus recommends that dealers:

- File the campaign claim accurately and promptly. The time a dealer is required to hold parts is based on when the campaign claim is paid by Lexus.
- Monitor the Warranty Parts Recovery Notifications and Part Scrap Report regularly.

Refer to Warranty Policies [9.3](#) and [9.6](#) for additional details.

Warranty Reimbursement Procedures

Reimbursement Procedure

NOTE: If the vehicle is still under the New Vehicle Limited Warranty, submit the repair as a **Regular** warranty claim.

Op Code	Description	Flat Rate Hours
21LAH1	Replace the brake booster assembly and brake booster pump assembly on 2011-2013 model year CT200h vehicles.	5.1

- 2.0 liters of brake fluid can be claimed at a maximum amount of \$44.00 per vehicle as sublet type OF.
- A loaner vehicle or alternative transportation can be claimed up to a maximum of 1 day (at a maximum rate of \$45.00 per day) as a sublet type "RT" under Op Code 21LAH1.
 - **For rentals that exceed the maximum number of allowable days and/or dollars per day, DSPM authorization is required.**
 - **Rental invoice MUST be attached to all rental claims. These claims may be subject to debit if rental invoice is not attached.**

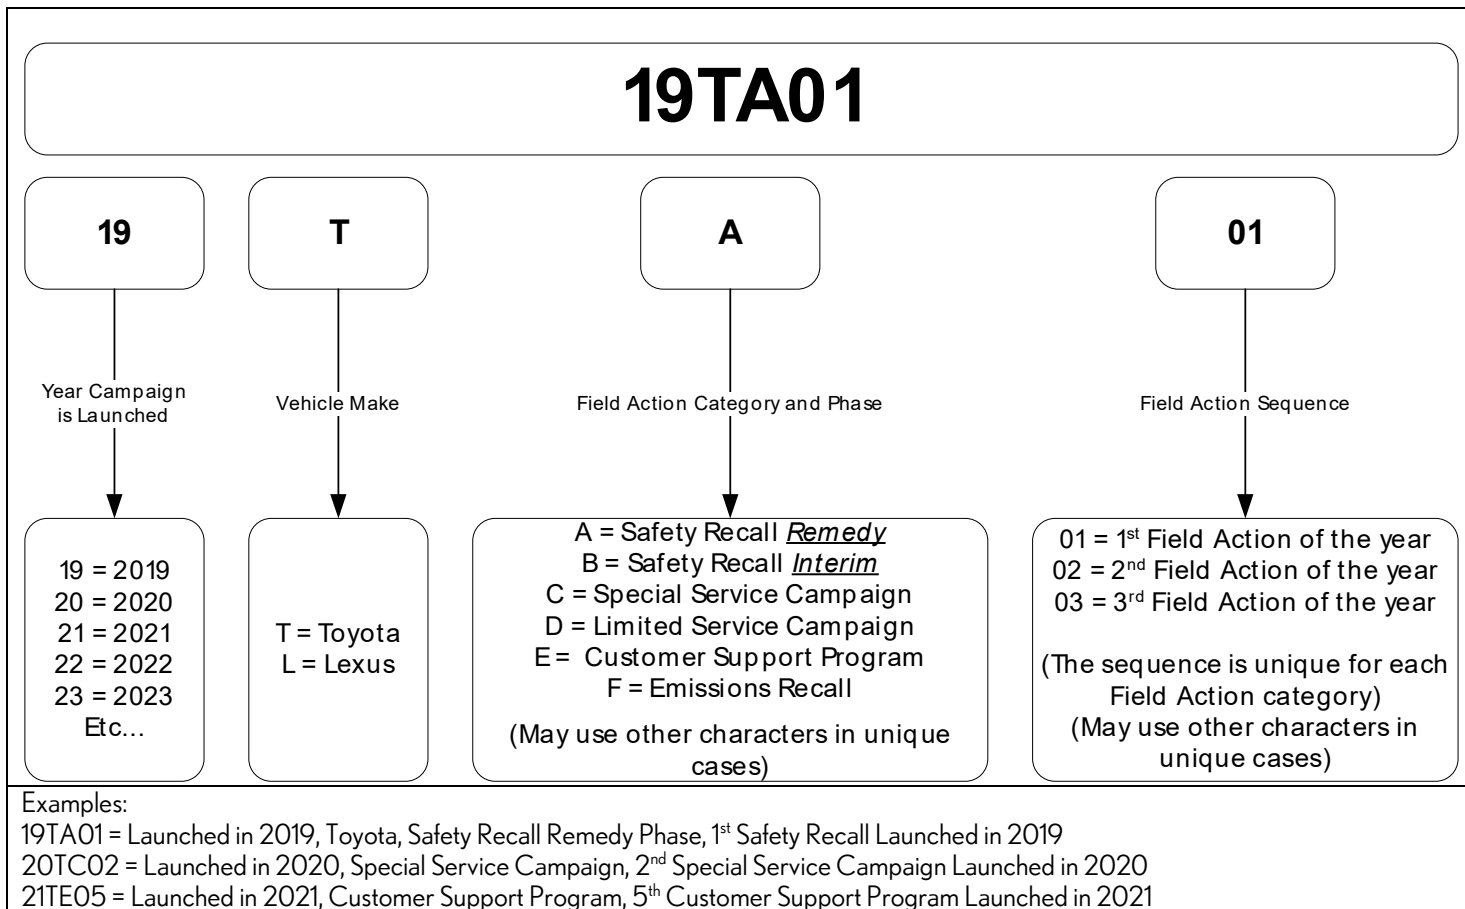

Claim Filing Accuracy and Correction Requests

It is the dealer's responsibility to file claims correctly for this Customer Support Program. This claim filing information is used by Lexus for various government reporting activities; therefore, claim filing accuracy is crucial. If it has been identified that a claim has been filed using an incorrect Op Code or a claim has been filed for an incorrect VIN, refer to Warranty Procedure Bulletin [PRO17-03](#) to correct the claim.

Customer Reimbursement

Reimbursement consideration instructions will be included in the owner letter.

Campaign Designation / Phase Decoder

Please review this entire package with your Service and Parts staff to familiarize them with the proper step-by-step procedures required to implement this Customer Support Program.

Thank you for your cooperation.

Q6: *What should an owner do if experiencing this condition?*

A6: If an owner thinks that he/she has experienced the condition described in this Customer Support Program, a local Lexus dealer should be contacted for appropriate diagnosis and repair. If the condition is verified as being in accordance with the terms of the program, the repair will be performed **FREE OF CHARGE** to the owner.

Q6a: *What if the diagnosis is performed and my vehicle is not covered by the Customer Support Program?*

A6a: Please be aware that, if the condition is not covered by this Customer Support Program, you may be responsible for the initial diagnostic fees and any other repairs you may decide to have performed. Any authorized Lexus Dealership can determine if a condition is covered by this Customer Support Program.

Q7: *What if an owner HAS NOT experienced this condition but would like to have the repair completed?*

A7: This Customer Support Program only applies to vehicles that have exhibited the condition described above. If an owner has not experienced the condition, he/she is asked to tear off the sheet included in the owner letter and insert it into the Owner's Warranty Information Booklet for future reference.

Q8: *How long will the repair take?*

A8: The repair takes approximately five hours. However, depending upon the dealer's work schedule, it may be necessary to make the vehicle available for a longer period of time.

Q9: *What if I previously paid for repairs related to this Customer Support Program?*

A9: Reimbursement consideration instructions will be provided in the owner letter.

Q10: *How does Lexus obtain my mailing information?*

A10: Lexus uses an industry provider who works with each state's Department of Motor Vehicles (DMV) to receive registration or title information, based upon the DMV records. Please make sure your registration or title information is correct.

Q11: *What if I have additional questions or concerns?*

A11: If you have additional questions or concerns, please contact the Lexus Brand Engagement Center (1-800-255-3987) - Monday through Friday, 7:00 am to 7:00 pm, Saturday 8:00 am to 5:00 pm Central Time
