MULTI-FUNCTION SWITCH  
NEW VEHICLE LIMITED WARRANTY EXTENSION**

**PLEASE KEEP THIS LETTER IN THE GLOVEBOX OF THE VEHICLE**

July 9, 2021

Dear Kia Sedona Owner:

Kia America, Inc. takes pride in providing you with high quality and dependable vehicles. In order to maintain these standards, **Kia is extending the New Vehicle Limited Warranty coverage for the multi-function switch assembly for all 2015-2016 MY Sedona vehicles from 5 years/60,000 miles to 15 years/unlimited miles, starting from the date the vehicle was first put into service.** The multi-function switch assembly is the steering column-mounted stalk that controls headlamps and tail lamps, turn signals, and, if equipped, fog lamps. This warranty extension is to address any concerns with the functionality of the multi-function switch assembly at no cost to you (does not include replacement of bulbs due to normal wear).

**What Should You Do?**

- If you experience issues with headlamps, tail lamps, turn signals, and/or fog lamps, contact your nearest Kia dealer for diagnosis and if the multi-function switch assembly must be replaced, it will be covered at Kia's expense at no cost to you. Please note the normal wear of bulbs is not covered under this warranty extension.

- This supplement to Kia's New Vehicle Limited Warranty does not alter the limitations and exclusions contained in the New Vehicle Limited Warranty including external damage.
