

WMD5 Workshop Campaign - Replacing dashboard loudspeaker cover (center)

Version 1

WMD5 Workshop campaign - Replacing dashboard loudspeaker cover (center)

Overview

Instead of the ordered dashboard loudspeaker cover (center) in leather, the affected vehicles were fitted with the standard painted cover because not enough parts were available.

For this reason, the painted dashboard loudspeaker cover (center) that was fitted at the factory must be replaced by the leather variant on the affected vehicles.

Please arrange for this measure to be carried out on the affected vehicles immediately.
