Dear (Insert name)

**SERVICE CAMPAIGN – FPIN TAG NOT SUPPLIED WITH THE VEHICLE KEYS
AT PDI (SC22/05)**

As a part of the registration process to enable the Connected Car services to be activated on your vehicle, a 10 digit FPIN vehicle code is required. This code should have been attached to your vehicle key set on a white tag at delivery.

However, Bentley Motors Limited have made us aware that this tag was not attached to the vehicle key sets on a number of vehicles, including your own.

Therefore, please contact our service reception [retailer phone number] as soon as possible so that we can arrange to relay this code to you or alternatively, make an appointment for you to bring your car back into the workshop so that we can arrange this for you.

Please accept our apologies for any inconvenience that this may cause.

Yours sincerely

Bentayga
