Genesis (BH) & Equus (VI)	10D229R2			58920-3M2A6		
Genesis (BH)	10D229R4			58920-3M2A5		
Genesis (BH) & Equus (VI)	10D229R5			58920-3M3A6		
Genesis (BH)	10D229R6			58920-3M0A5		
Genesis (BH)	10D229R7			58920-3M3A5		

**NOTE 1:** Submit Claim on Campaign Claim Entry Screen

**NOTE 2:** If a part that is not covered by this warranty extension is found in need of replacement while performing this TSB and the affected part is still under warranty, submit a separate claim using the same repair order. If the affected part is out of warranty, submit a Prior Approval request for goodwill consideration prior to performing the work.

**NOTE 3:** Three (3) bottles of brake fluid will be reimbursed through each of the labor op codes above.

**NOTE 4:** Air bleeding and HECU calibration are included in op time.

**Service Procedure:**

**NOTICE**

- If HECU is found to be defective, replace the HECU according to the applicable Service Manual procedures.
- Air bleeding and HECU calibration are required after replacing the HECU.
