**2017 MY KIA SPORTAGE VEHICLES  
ILLUMINATION OF AIRBAG WARNING LIGHT  
NEW VEHICLE LIMITED WARRANTY EXTENSION**

**PLEASE KEEP THIS LETTER IN THE GLOVEBOX OF THE VEHICLE**

April 22, 2022

Dear Kia Sportage Owner:

Kia America, Inc. takes pride in providing you with high quality and dependable vehicles. To maintain these standards, Kia is extending the New Vehicle Limited Warranty coverage for repairs related to the illumination of the Airbag Warning Light in 2017 MY Sportage vehicles from 5 years/60,000 miles to 15 years/unlimited miles, whichever comes first, starting from the date the vehicle was first put into service. This warranty extension is to address certain Airbag Warning Light ON conditions at no cost to you.

**Warranty Extension Coverage:**

- If the Airbag Warning Light  is illuminated for more than approximately 6 seconds after your vehicle is turned on or at any time during vehicle operation, it is alerting you of a potential problem with your airbag system. More information can be found in the 'Safety features of your vehicle' section of your Owner's Manual.
- If, at any time within the extended warranty period, the Airbag Warning Light remains illuminated beyond 6 seconds after your vehicle is turned ON or illuminates at any time during vehicle operation, your authorized Kia dealership will diagnose the cause at no cost to you.
- Also, should the Airbag Warning Light ON condition be determined to be due to Diagnostic Trouble Codes (DTCs) related to a 'Short-to-Ground' issue, your authorized Kia dealership will repair the cause **at no cost to you under this warranty extension.**
- This extension to Kia's New Vehicle Limited Warranty does not alter the limitations and exclusions contained in that New Vehicle Limited Warranty including abuse, neglect, or external damage.

**What Should You Do?**

- Unless the Airbag Warning remains illuminated beyond 6 seconds after your vehicle is turned ON or illuminates at any time during vehicle operation, you DON'T need to bring your vehicle to a Kia dealership for the purpose of this warranty extension.
- If the warning light stays illuminated, contact the nearest authorized Kia dealer to have your vehicle diagnosed as soon as possible.
- To find your nearest dealer, visit [www.kia.com](http://www.kia.com) and click the "Find Dealer" button in the upper right corner ("Dealers" on a mobile device).
