

Warranty Policies and Procedures Bulletin

Audi Warranty

Number: AWA-22-05

Subject: Electric Fuel Pump Extended Warranty

Date: APR 28, 2022

Dealers: U.S., Puerto Rico

This document modifies the Audi Warranty Policies and Procedures Manual.

Effective Reception Date: April 28, 2022

The following Electric Fuel Pump warranty extension is applicable for certain Audi vehicles. Affected vehicles may include:

- Certain MY 2018-2021 S4, S5, SQ5 vehicles
- Certain MY 2019-2021 Q8 and A8 vehicles
- Certain MY 2020-2021 Q7 vehicles

Note: This extension only applies to specific vehicles identified with Warranty Key U51.

To determine if a vehicle is eligible for this extension, check in the VIN in ElsaPro >> Vehicle Data. If the warranty extension is applicable to the vehicle, the “Warranty Key” section of the “Vehicle Data” screen in ElsaPro will be populated with Warranty Key U51.

Electric Fuel Pump Limited Warranty Extension

For applicable vehicles, the New Vehicle Limited Warranty will be extended to cover repair or replacement (by an authorized Audi dealer) of a faulty electric fuel pump during a period of 15 years or 150,000 miles, whichever occurs first, from the vehicle’s original in-service date.

The vehicle’s original in-service date is defined as the date the vehicle was delivered to either the original purchaser or the original lessee; or if the vehicle was first placed in service as a “demonstrator” or “company” car, on the date such vehicle was first placed in service.

What is Covered?

The warranty extension will be subject to the terms and conditions of the original applicable New Vehicle Limited Warranty (other than the extended time/mileage period) and will include the electric fuel pump and any parts and labor necessary to effectuate a repair. It will apply to all vehicles irrespective of whether the vehicle has been repaired on or before the effective date.

Damage resulting from outside influences, such as but not limited to, abuse, alteration or modification, a collision or crash, vandalism and/or other impact is excluded and not covered under the extended warranty. Repair or replacement under this extended warranty must be performed by an authorized Audi dealer.

Warranty Policies and Procedures Bulletin

Transferability

The warranty, as extended, is fully transferable to subsequent owners.

Vehicle Eligibility

To determine if a vehicle is eligible for this extension, check in the VIN in ElsaPro >> Vehicle Data. If the warranty extension is applicable to the vehicle, the “Warranty Key” section of the “Vehicle Data” screen in ElsaPro will be populated with Warranty Key U51.

Vehicles with the totaled status are excluded from coverage under this Warranty Extension.
