## Temporary Process Change Notice - Window packaging

Dear Valued Customer:

As part of our ongoing efforts to improve product packaging, we are trialing a new process using individual pads between windows. Our current process uses flat corrugated cardboard between windows. Any packaging that currently utilizes foam corner blocks will not be affected by this change.

**Current Packaging**

**New Packaging**

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

**Mason Ogle**

VP of RV Sales
