

Warranty Mack Chassis - eWarranty To UCHP Labor Code (SCC Code) Crossover, Conversion Information For Use With Campaigns (FI, PI) And Recalls (EC, SC), Location On Trucks Dealer Portal (TDP)

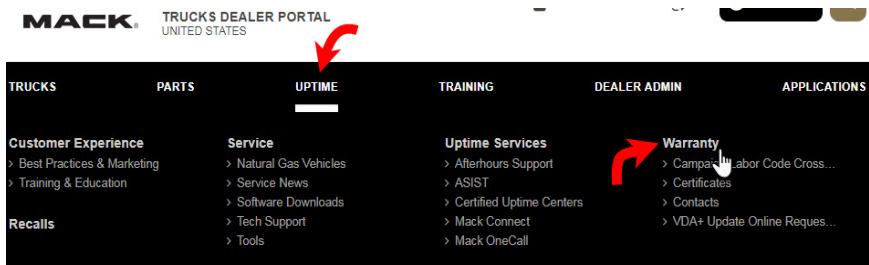

> Internal Content

NOTE: Fleet Improvement (FI) Campaigns are not published programs. A copy of the document from the fleet, District Service Manager, or Warranty Administrator will be required to properly complete a claim.

- Campaign and Recall labor code crossover documentation can be found on TDP.

1. From the TDP home page, click on the Uptime tab, located on the bar at the top of the page.

2. Click on Warranty from the sub-menu that opens

3. The link for the crossover documents is found under the Warranty tab located in the menu on the right-hand side of the page.

- It may be necessary to click the plus (+) button next to Warranty to expand the menu. The plus will turn to a minus (-) when the menu is expanded.
