

 HYUNDAI Technical Service Bulletin	GROUP ENGINE	NUMBER 22-EM-001H-1
	DATE APRIL 2022	MODEL(S) APPLICABLE VEHICLES BELOW
SUBJECT: ENGINE WARRANTY EXTENSION (TXXI)		

This TSB supersedes TSB 22-EM-001H to clarify PA submittal requirements.

Description: The warranty coverage for engine long block repair or replacement regarding engine damage or malfunction from connecting rod bearing wear has been extended to a Limited Lifetime Warranty and is valid for original and subsequent owners.

NOTICE

A Warranty Prior Approval (PA) must be submitted on all applicable vehicles that exhibit the conditions above within the extended warranty period. PA will provide detailed confirmation of engine approval or denial based on all available case details and applicability of any related terms.

Settlement Background: This warranty extension is provided as part of a related court-approved class action settlement, and, as a result, involves certain requirements relating to completion of the knock sensor detection software update (service campaign 953), certain vehicle neglect, vehicles previously deemed a total loss (i.e., branded or salvage), and ownership by certain commercial entities engaged in the business of leasing, buying, or selling used vehicles.

Please refer to Service Campaign T3G TSB 22-01-033H (or latest version) for the engine inspection/replacement procedure.

Please refer to TSB 22-01-034H (or latest version) for applicable part numbers and labor ops.
