***** What Retailers Should Do *****

1. No action is necessary at this time. INFINITI will provide additional instructions prior to the effective date of the extended warranty, which is expected to be June 1, 2022.
2. If a client contacts the retailer with a CVT concern in an owned or leased vehicle, retailers should use the appropriate Technical Service Bulletin (TSB) to diagnose the root cause of the client concern and identify the correct repair to resolve the client concerns.

NOTE: Retailers will need to follow the warranty process and obtain pre-approval from the Powertrain Call Center (800-973-9992 Option 2) for any vehicles requiring CVT assemblies to be replaced. Valve bodies and CVT belt and pulley kits do not require pre-authorization.

3. If the vehicle is no longer covered by a powertrain or parts warranty, provide owners a repair estimate for test drive, diagnosis, and repair after consulting the Goodwill rental guidelines available in the Assurance Product Resources Manual (APRM) for detailed information regarding application of rental reimbursement.

Q. When will eligible vehicle owners receive notification?

INFINITI will begin notifying current owners and lessees of 2015-18 QX60 vehicles when the warranty extension becomes effective in June 2022.

Q. Is this a safety recall or service campaign?

A. No.

Q. What is the proposed settlement?

1. **Warranty Extension on the Continuously Variable Transmission (CVT):** INFINITI will extend the warranty coverage on the CVT assembly (including internal CVT components, gaskets, and seals), CVT control valve body, and torque converter from the original duration of 72 months/70,000 miles to 96 months/94,000 miles (whichever occurs first). This extension also includes rental and towing (if needed for a CVT concern). Coverage of other vehicle components remains unchanged, and all other terms, conditions, limitations and exclusions of INFINITI's New Vehicle Limited Warranty continue to apply.
2. **Reimbursement for Replacement of or Repair to Transmission Assembly or ATCU:** If the Owners or Lessees previously paid to repair or replace their CVT and the repairs would have been covered within the new extended warranty period, they may be eligible for reimbursement. Specific information about what the client must do and when in order to obtain reimbursement is available at www.RoguePathfinderQX60CVTSettlement.com or by contacting the Settlement Administrator at 1-855-786-1043. The settlement website addresses reimbursement criteria for CVT repairs or replacements made or recommended

during the proposed warranty extension time and mileage limits and certain deadlines apply.

- 3. Voucher Towards Purchase or Lease of a New Vehicle:** Current and former owners of 2015-18 QX60 who had two (2) or more replacements or repairs to the transmission assembly (including the valve body and torque converter) or ATCU during their ownership experience (as reflected by INFINITI Warranty records) are eligible for a Voucher in the amount of \$1,000 for either a purchase or lease of a single new Nissan or INFINITI vehicle. Prior software updates and/or reprogramming do not count as a prior repair. Vouchers must be used within nine (9) months of the Effective Date of this Settlement. The Voucher is not transferable. Current and former owners eligible for both a Voucher and reimbursement of a qualifying repair must elect either to receive the Voucher or to receive reimbursement; not both. Current and former owners who qualify for a Voucher (and did not elect a reimbursement instead) will be notified by the Settlement Administrator.

For other questions about the settlement, please refer clients to the websites and/or telephone numbers provided above.

Q. Is there a quality issue with the Continuously Variable Transmission (CVT)?

A. INFINITI is confident in the quality of our Continuously Variable Transmission (CVT) technology and has extended warranty coverage to demonstrate this confidence and to stand behind our products. The vast majority of CVT owners will not experience any issue with their transmission, but for the small percentage that may experience an issue, the proposed warranty extension, if it goes into effect, will cover the cost of the repair.

Q. How has the design changed on current/future models/service parts to eliminate owner concerns about durability?

A. INFINITI continuously monitors field quality and implements product enhancements based on actual use and client feedback. Our current models and service parts reflect the latest product enhancements to deliver the most reliable experience for our clients. This may include a variety of solutions or repairs up to the replacement of the Continuously Variable Transmission (CVT) assembly with a new or remanufactured part if necessary.

Q. What symptoms might I experience if my Continuously Variable Transmission (CVT) has an issue?

A. If you notice a change in vehicle operation or performance, you should take your vehicle to an authorized INFINITI retailer for inspection.

What is this? You have been sent this Notice because records indicate that you purchased or leased a 2014-2018 Nissan Rogue, 2015-2018 Nissan Pathfinder, or 2015-2018 Infiniti QX60 vehicle equipped with a “CVT” or Continuously Variable Transmission (the “**Class Vehicles**”). A Settlement has been proposed in a class action lawsuit against Nissan North America, Inc. (“NNA”) regarding the CVT in the Class Vehicles.

What is this lawsuit about? Plaintiffs allege that the Class Vehicles have a defective CVT which can lead to poor transmission performance or failure. NNA denies Plaintiffs’ claims, and believes the litigation is without merit. The Settlement is not an admission by either side. The Court did not rule in favor of either party. Instead, the parties agreed to a proposed Settlement to avoid the expense and risks of litigation. The Settlement is subject to final approval by the Court.

Am I a Member of the Class? The proposed Settlement Class consists of those who purchased or leased Class Vehicles in the U.S. or its Territories.

What does the Settlement Provide?

- **Warranty Extension:** An extension of 24 months or 24,000 miles (whichever occurs first) of the New Vehicle Limited Warranty on your vehicle’s transmission. As part of the Warranty Extension, you may also be eligible for reimbursement of:
 - o **Repairs Made Within the Extended Warranty Period:** Reimbursement for parts and labor you paid to repair or replace your vehicle’s transmission within the time and mileage limits of the Warranty Extension (limited to \$5,000 for work done at non-Nissan/Infiniti repair shops). You must submit a Claim Form by March 22, 2022 or within 30 days of the qualifying repair, whichever is later.
 - o **Dealer Recommended Repairs:** If a Nissan or Infiniti dealer previously recommended repair or replacement of your vehicle’s transmission within the time and mileage limits of the Warranty Extension but your car was not repaired at that time, you may still be reimbursed so long as you had, or have, the recommended repair made no later than March 22, 2022 or prior to 95,000 miles, whichever occurs first. You must submit a Claim Form by March 22, 2022 or within 30 days of the qualifying repair, whichever is later.
- **Vouchers for Certain Current and Former Owners:** If you are a current or former owner of a Class Vehicle, you may receive a voucher of \$1,000 towards the purchase or lease of a new Nissan or Infiniti, if you qualify. If you are also eligible for reimbursement of repair costs, you may elect either reimbursement or a voucher, but not both.
- **Release for Nissan:** Class Members will release all transmission-related claims against NNA and related parties, as explained more fully in the Long Form Notice and Settlement Agreement.

Class Counsel will ask the Court to award up to \$6,250,000 in attorneys’ fees and expenses, and a service award of \$5,000 for each Class Representative.

The Court will decide whether to approve the Settlement at the Fairness Hearing on March 21, 2022 at 11:30 a.m. You have the right to attend the Fairness Hearing, or you may appear through an attorney of your choice.

What Are My Options?

1. **Do Nothing:** You will be in the Settlement Class, and you will automatically receive the Warranty Extension. If you are eligible for a Voucher, you will be notified. You will also be bound by the Settlement Agreement and any judgment in the case.
2. **Submit a Claim Form:** If you submit a Claim Form and otherwise qualify, you will also be reimbursed for qualifying transmission replacements or repairs made to your Class Vehicle.
3. **Object to the Settlement:** You can file a written objection by February 22, 2022 explaining what you do not like about the Settlement. Further details for objecting are contained on the settlement website.
4. **Exclude Yourself from the Settlement:** You can opt out of the Settlement by submitting your request by February 22, 2022. You will no longer be a member of the Class and will receive no benefits under the Settlement, but will retain any claims you may have against NNA. Further details for requesting exclusion are contained on the settlement website.
