## Service

1. Explain to the customer that a solution is expected to be available by the end of the 1<sup>st</sup> quarter of 2023 (subject to change) and that no repairs are necessary at this point. Do not replace any components for this condition since this will not resolve the customer's concern.
2. Create a PSS record in the PSS application through the Pending Service Solutions (PSS) link in AccessAudi (under *Related Links* >> *Service*), or through the Technical Assistance page in Elsa.

## Workaround

After cycling the ignition off and back on, the complaint should be temporarily resolved.

## Warranty

This TSB is informational only and not applicable to any Audi warranty.

## Additional Information

All part and service references provided in this TSB (2068304) are subject to change and/or removal. Always check with your Parts Department and/or ETKA for the latest information and parts bulletins. Please check the Repair Manual for fasteners, bolts, nuts, and screws that require replacement during the repair.
