Service Procedure

If you encounter a vehicle with a concern that leads to the replacement of the left front Electronic Suspension Wheel Front Vertical Accelerometer (Part Number 84842005), It will be necessary to remove the conduit between strut stud clip and combo bracket grommets like shown in the above illustration.

Do not replace the left front Electronic Suspension Wheel Front Vertical Accelerometer for this condition.

6182608

Important: Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.
