| Condition                  | A dealer may have questions on installation instructions or warranty issues on Associated Accessories offered through GM Accessory Group. |
| Cause                      | Information is not found in Service Information / Accessory Installation Manual   |

#### Correction:

Dealers will need to contact the Supplier of the specific Associated Accessory for installation or warranty concerns as GM Technical Assistance Center (TAC) does not support these accessories.

Contact information for the supplier and the Associated Accessory warranty cards are available from the GM Accessory Information Center which is accessed through GlobalConnect or your local Accessory Distributor Installer.

This information can be found in the part information within the GM Electronic Parts Catalog

Examples of Associated Accessories that may not have Installation Information in Service Information / Accessory Installation Manual :

- Sliding Bed Trays
- Tonneau Covers
- Light Bars
- Trailer or Dash Cameras
- Speaker or Subwoofer Kits
- Trailer or 5th Wheel Hitches
- Trailer Brake Controllers

**NOTE: Do not contact GM Technical Assistance Center (TAC) with questions regarding these accessories as they have no information to support requests.**
