

TO: All Subaru Dealers
FROM: Subaru of America, Inc.
Service Department
DATE: March 04, 2014
SUBJECT: 2015 Special Service Tools

A shipment of special tools for the 2015 WRX and STI has been released. It will contain the following items:

<u>Illustration</u>	<u>Tool Number</u>	<u>Description</u>
	18460AA040	CVT Check Harness
	41099YC001	Transmission Support
	18632AA030	Engine Positioner

These tools will be shipped directly to all dealers for arrival in early March at a cost of \$816 (plus any applicable taxes). The package will also include instructions on how to modify an existing essential special tool for use on the new WRX and STI, as well as the testing and ordering information for gloves in the Hybrid Safety Kit.
