Product Improvement Notice - Dust cap changes for Lippert and Curt axles

Dear Valued Customer:

Please be advised Lippert has redesigned dust caps to provide greater strength, durability, serviceability and aesthetics for Lippert and Curt axles.

The new dust caps are twice as corrosion resistant and one-time reusable.

The change affects axles 2K up to 7K. There is no change in installation with the new design and no price change. The switch over will take place on or around Oct. 1, 2023.

Current

New

Dust Caps			
Current PN Lippert/Curt	New Lippert PN	New Curt PN	Axle Designation
122067/122065	2022450600	2022450603	2K-3.5K
122064/122065	2022450601	2022450604	5.2K-6K
127300/122065	2022450602	2022450605	7K

If you have any questions, please feel free to call me directly or your LCI representative. We value and appreciate your business and partnership.

Sincerely,

Robert Boone
