2015 Jetta– Rear Tow Hook Cover Tabs Broken

If the condition is found where the rear tow hook cover tabs are broken as shown in Figure 1.1.

Figure 1.1

Replace the rear tow hook cover (Part# 5C6807441D 9B9) and verify the part that is being installed is of the current production level (09S) as show in Figure 1.2

If the part is of an earlier level (08S) please return the part to the PDC and order a new part.
