TI Number	No TI will be released for this Campaign. The Campaign is only to fit the number plate cover as part of PDI.

Important information on carrying out and invoicing the measure:

Pre-delivery campaigns must only be carried out on new vehicles that have not yet been delivered to customers. The campaign must no longer be carried out once a vehicle has been delivered.

The campaign status will automatically be changed in the system as soon as the delivery date has been registered in the system. For this reason, the warranty claim **MUST** be submitted before registering the delivery date.

If the delivery date is registered before the warranty claim is submitted, invoicing for the campaign will no longer be possible.

Required parts

Please note that each vehicle is assigned to exactly one scope. Please order the amount of number plate covers required for your market based on the respective scope.

Ordering required parts

Only a small stock of the required parts is currently available, further deliveries from the supplier are expected to take place from week 25/23.
