

## R1S & R1T 2023.42 OTA Update SMS

We've identified an issue with our latest software update that impacts your vehicle's infotainment system. We're working on a solution and will keep you updated. In most cases, the rest of your vehicle systems remain functional, and you can continue to operate your Rivian. If you have questions, contact Service Support at [1-855-748-4265](tel:1-855-748-4265).
