

## R1S & R1T 2023.42 OTA Resolution SMS

Rivian has begun rolling out the remote fix for the infotainment issue. We recommend enabling push notifications on your Rivian app. You'll be prompted through the app to update your vehicle software once it's available. If you experience any issues, please reach out to Rivian Service Support at [1-855-748-4265](tel:1-855-748-4265). For more info, visit <https://rivn.co/ota42fix>
