PAB1146: 68193-95 BULB WEDGE, FENDER TIP LAMP

Reason for Revision

Refer to Table 1.

Table 1. Document History

| Date | Rev | Revision (Rev) Description |
|------------|-----|----------------------------|
| 2023-12-21 | - | Initial release |

Purpose for Parts and Accessories Bulletin

To inform dealers of an issue with the bulb wire terminals not being to specification. The light bulbs were used in numerous front and rear fender tip light assemblies for domestic and international applications.

Vehicles Affected

1999-2017: Touring and Softail models

Markets Affected

All markets affected.

Summary

Harley-Davidson has found an issue with the wire terminals on the light bulb (Part No. 68193-95) not being folded and molded back into the housing. The bulb style has been corrected by working with our supplier.

Shipments of the incorrect bulb (1) started in March 2022 and ended in August 2023 with the following packages dates March 25, 2022 and October 24, 2022. Inspect your inventory of this part and dispose of the defective stock. Submit a warranty claim for reimbursement. Refer to Credit Procedure.

1878122

1. Incorrect - None folded element
2. Correct - Folded element
