Involved Region or Country	North America, Middle East
Information	<p>The 6L50 (MYB), 6L80 (MYC) and 6L90 (MYD) Transmission Oil Filter and Seal Kit part number 24236933 is currently transitioning from a kit to the filter and seal being sold individually. This is being done to improve packaging efficiencies:</p> <ul style="list-style-type: none"> – Filter Part Number 24236517 and Seal Part Number 24225347 will need to be ordered separately to obtain both pieces. – Current service procedures require that seal be replaced anytime the filter is removed. – The Electronic Parts Catalog (EPC) is being updated to reflect these changes.

Important: Service agents must comply with all International, Federal, State, Provincial, and/or Local laws applicable to the activities it performs under this bulletin, including but not limited to handling, deploying, preparing, classifying, packaging, marking, labeling, and shipping dangerous goods. In the event of a conflict between the procedures set forth in this bulletin and the laws that apply to your dealership, you must follow those applicable laws.
