

## **TGW Will Not Connect After SIM Card Replacement**

Published 18 January 2024

### **Valid For**

Volvo models VNR,VNX,VNL,VNM,VAH,VHD Model Years 2010 to current

Mack models CHU,CXU,PI,GR,GU,LR,TD,MRU,TE,AN Model Years 2013 to current

TGW Connectivity issues may be encountered when moving from SIM card P/N 22990242 (Yellow) to SIM card P/N 23004613(White).

When changing from SIM card P/N 22990242 (Yellow) to SIM card P/N 23004613(White), run the conversion kit P/N 85165543 as an accessory kit using Premium Tech Tool (PTT).

**NOTE:** Confirm the TGW has been programmed to the latest software version before running the conversion kit.
