

# TECHNICAL SERVICE BULLETIN Non-Lightning - Illuminated Powertrain Malfunction (Wrench) Indicator DTC U031D Stored In The PCM

24-2097 28 March

### Model:

Ford	Non-Lightning
2021-2022 F-150	

Markets: Published by Ford North America

**Issue:** Some 2021-2022 F-150 non-Lightning vehicles may exhibit an illuminated powertrain malfunction (wrench) indicator and **Service Vehicle Soon** message in the <u>IPC</u> with <u>DTC</u> U031D in the <u>PCM</u> and no other drivability concerns. This may be due to the configuration of the <u>PCM</u>. To correct this condition, follow the Service Procedure to update the PCM to the correct configuration.

Action: Follow the Service Procedure to correct the condition on vehicles that meet all of the following criteria:

- 2021-2022 F-150 non-Lightning
- Illuminated powertrain malfunction (wrench) indicator with <u>DTC</u> U031D stored in the <u>PCM</u>

**Warranty Status:** Eligible under provisions of New Vehicle Limited Warranty (NVLW)/Service Part Warranty (SPW)/Special Service Part (SSP)/Extended Service Plan (ESP) coverage. Limits/policies/prior approvals are not altered by a TSB. NVLW/SPW/SSP/ESP coverage limits are determined by the identified causal part and verified using the OASIS part coverage tool.

#### **Labor Times**

Description	Operation No.	Time
2021-2022 F-150 - Non-Lightning – Check DTC's, Download And Run The PCM - Pro Trailer Hitch Assist Configuration Application (Do Not Use With Any Other Labor Operations)	242097A	0.3 Hrs.

## Repair/Claim Coding

-			
Causal Part:	RECAL		
Condition Code:	04		

## **Service Procedure**

CAUTION: Vehicles that do not have <u>DTC</u> U031D stored in the <u>PCM</u> will have Pro Trailer Hitch Assist disabled (if equipped) after completing this application and cannot be re-enabled using <u>FDRS</u>. Vehicles that have <u>DTC</u> U031D stored in the <u>PCM</u> are not equipped with Pro Trailer Hitch Assist.

1. Download and run the PCM - Pro Trailer Hitch Assist Configuration application using the latest software level of the <u>FDRS</u> scan tool. The application will display a pop-up message requesting a password to proceed. The password is DSPWR295. After entering the password, proceed with running the application.

NOTE: The information in Technical Service Bulletins is intended for use by trained, professional technicians with the knowledge, tools, and equipment to do the job properly and safely. It informs these technicians of conditions that may occur on some vehicles, or provides information that could assist in proper vehicle service. The procedures should not be performed by "do-it-yourselfers". Do not assume that a condition described affects your car or truck. Contact a Ford or Lincoln dealership to determine whether the Bulletin applies to your vehicle. Warranty Policy and Extended Service Plan documentation determine Warranty and/or Extended Service Plan coverage unless stated otherwise in the TSB article.
