

2023 Super Duty (F-250, F-350, F-450, F-550)
(PCM)
24-PU0107-EM-TSQ

What's In This Update?

Priority Update - Powertrain

Powertrain Enhancement

- Your vehicle's system now more accurately identifies the need for possible service, reducing instances of alerts when everything is running smoothly.
- Enjoy a smoother ride with our latest update, which fine-tunes gear shifts for enhanced driving comfort and response.

Software updates are designed to help make your vehicle better over time.
