Background

American Honda Motor Co., Inc. (AHM) is searching for certain 2023-2024 CR-Vs with a customer complaint of windshield washer system inop, leaking or both. To better understand the cause of this condition, AHM would like to collect specific parts prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Windshield washer system must be leaking or inop. (capture in a short video).
2. Issue must be traced to the washer motor. (P/N 76806-TLA-C01)
3. No aftermarket parts installed on the washer system.
4. No previous repair attempts.
5. Vehicle has not been involved in a collision.

Action Required

If a vehicle matching the qualifiers above comes into your dealership, please e-mail Technical Information & Support (TIS) at tis@ahm.honda.com, or call us at 800-880-1072 (Monday-Friday, 7am-5pm PST). TIS will need to record certain vehicle information and provide you with further instructions.

1. Model Year (e.g. 2024)
2. Model Name (e.g. CR-V)

Technical Information & Support (TIS) will provide additional information if this situation applies.

Thank you.
