BACKGROUND

On the Monroney label, the bumper compliance statement is missing.

Do an iN VIN status inquiry to make sure the vehicle is shown as eligible.

Vehicles affected by this campaign may be in your new vehicle inventory. Repair these vehicles before they are sold. No action is needed on vehicles that have been sold.

CORRECTIVE ACTION

Attach the Monroney update label to the window area next to the Monroney label.

CLIENT INFORMATION: The information in this bulletin is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely maintain your vehicle. These procedures should not be attempted by “do-it-yourselfers,” and you should not assume this bulletin applies to your vehicle, or that your vehicle has the condition described. To determine whether this information applies, contact an authorized Acura automobile dealer.

REPAIR PROCEDURE

Make sure the inside window area is clean, dry, and at room temperature. Attach the Monroney update label in the position shown.

NOTE: If necessary, bring the vehicle inside to warm up to room temperature; otherwise the label may not stick to the glass.
