

**\* \* TECHNICAL INFORMATION NOTICE \* \***

**DATE:** February 23, 2015  
**TO:** Mitsubishi Motors US Dealer Principals, General Managers, Service Managers and Parts Managers  
**RE:** AWC Hydraulic Unit Warranty Extension – Identification of Eligible 2015 MY Vehicles  
**TIN NO.** TIN-15-22-001

\*\*\*\*\*

**AFFECTED VEHICLES:** Certain 2009 – 2015 Lancer Ralliart, 2010 – 2011 Lancer Sportback Ralliart, and 2008 – 2015 Lancer Evolution

**PURPOSE**

The population of 2015 Lancer Ralliart and Lancer Evolution vehicles eligible for TSB-14-22-005, AWC Hydraulic Unit Warranty Extension, has been identified. All vehicles produced on or after January 8, 2015 (except for vehicles with the following last 6 digit sequence in the VINs: 014646, 014651, and 014654), had a countermeasure AWC hydraulic unit installed during production and are ineligible for this warranty extension.

Vehicles equipped with the countermeasure part will be delivered to dealerships without the warranty extension notification letters placed in the glove box. Please do not insert the notification letters built in any 2015 Lancer Ralliart or Lancer Evolution vehicle produced on or after January 8, 2015, except for the three vehicles mentioned above. You may reference the Warranty Superscreen to confirm the vehicle production date.

Please see TSB-14-22-005 for additional details about this warranty extension.

***IMPORTANT***

**Affected new or used inventory vehicles must have the warranty extension notification letter placed in the glove box. Please ensure the notification letter is available prior to customer delivery.**

**New or used inventory vehicles that are not affected (outside the specified production range) must not have the warranty extension notification letter placed in the vehicle.**
