Re: Transfer of ownership interest in Husqvarna Motorcycles NA, LLC by
BMW Group

Dear Sir or Madam:

The purpose of this letter is to advise the National Highway and Traffic Safety Administration that the BMW Group is selling its ownership interest in Husqvarna Motorcycles NA, LLC. The transfer will be completed as of March 6, 2013. Our interest in Husqvarna Motorcycles NA, LLC is being transferred to Seestern Holding GmbH, c/o bpv Huegel Rechtsanwälte OG, ARES-Tower, Donau-City-Straße 11, 1220 Vienna, Austria, which will ultimately be owned by Pierer Industrie AG, an Austrian company.

Please note that no BMW Group company, including BMW of North America, LLC, will have any responsibility for Husqvarna motorcycles as it relates to the importation, homologation, certification or sale of Husqvarna motorcycles and related products as of that date. We therefore ask that NHTSA records be changed to remove any reference to Husqvarna motorcycles as of March 6, 2013.

We have been advised that KTM North America will be involved in the administration of Husqvarna Motorcycles NA, LLC after the closing date. We have also been advised that any questions related to the new ownership may be directed to Viola Mader at
951-600-8007 x 4135.

Best regards,

Samuel Campbell, III
Department Head, Safety Engineering and
Intelligent Transportations Systems.
