AutoCheck Score

37
AUTOCHECK SCORE

This vehicle's AutoCheck Score: 37

Other comparable 2015 vehicles in the **Upscale - Near Luxury** typically score between **89-94**.

The patented AutoCheck score predicts the likelihood a car will be on the road in 5 years. It compares vehicles of similar age and class based on a scale of 1-100. The AutoCheck score is based on a proprietary model to help you understand a vehicles predicted reliability as it pertains to age, number of owners, accidents and other vehicle history factors.

This Vehicle's Glossary

Below are the specific definitions for events that appear in this vehicle's report. More information is available in the full [AutoCheck glossary](#).

Term	Section Location	Definition
Junk	Major State Title Brand Check	The vehicle's parts have been salvaged for reuse and the remainder of the vehicle has been destroyed or scrapped. This vehicle has been declared a total loss, is not road worthy and should not be titled again for use on the road.

Term	Section Location	Definition
Salvage	Major State Title Brand Check	A salvage vehicle is a vehicle that has been wrecked or damaged beyond repair; declared a total loss by the insurer; or declared a total loss by reason of theft. When an insurance company as a result of a total loss settlement acquires a vehicle, the insurance company must apply for a Salvage Certificate. If the owner retains possession of a salvage vehicle, the owner must obtain a Salvage Certificate before receiving a total loss statement from the insurance company.
Rebuilt/Rebuildable	Major State Title Brand Check	The vehicle was a salvaged vehicle that was refurbished with new or used parts. An affidavit of repair from the rebuilder or individual making the repairs, stating what repairs were made to the vehicle and that the vehicle is now rebuilt and road operable, may be required to obtain a rebuilt/rebuildable title. These vehicles must also pass a state safety inspection before being allowed back on the road.
Odometer Problem	Major State Title Brand Check	The vehicle has odometer-related problems. These may include discrepancies such as not actual miles, a broken odometer, exceeding a vehicle's mechanical limits, a mileage discrepancy, or suspect miles.
Major Damage Incident	Damage Check	When a (i) State agency or third party reported an event that did or may have resulted in vehicle frame or mechanical damage, such as a collision or incident such as vandalism or theft, or (ii) a third party reported that an inspection indicates that a vehicle appears to have sustained frame or other damage. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
Total Loss	Other Title Brand and Specific Event Check	Insurance companies label a vehicle a "total loss" when the cost to repair the vehicle to its pre-damaged state exceeds the cost of the vehicle's worth, or actual cash value. Insurance companies must follow certain state law (defined percentage of damage before it can be deemed a total loss) and they also can set their own standards for totaled vehicles.
Corrected Title	Other Title Brand and Specific Event Check	The State DMV has issued a corrected title for the vehicle.
Lease Use	Vehicle Use	Vehicle was registered as lease vehicle.
Accident	Accident Section	State or municipal has reported an accident or collision that may sustain. Not all damage events are reported to AutoCheck and the damage severity of reported events will vary. In all events AutoCheck recommends that prospective vehicle purchasers conduct a detailed vehicle inspection prior to purchase of a pre-owned vehicle.
