VINCheck® Lookup

About VINCheck

NICB's VINCheck is a free lookup service provided to the public to assist in determining if a vehicle may have a record of an insurance theft claim, and has not been recovered, or has ever been reported as a salvage vehicle by participating NICB member insurance companies. To perform a lookup, a vehicle identification number (VIN) is required. A maximum of five searches can be conducted within a 24-hour period per IP address.

NEW ENHANCEMENT!

You now have the ability to take a photo of a VIN to upload into VINCheck, or you can manually enter a VIN as usual. *Having trouble?* If you are not seeing the camera icon to the right of the "Enter VIN" field, please try clearing your browser's cache ⊡.
